

## ENZYME ANALYSIS

<b>ENZYME</b> 	<b>LOCATION</b> 	<b>ACTION</b> 
<b>Pytalin</b>	Mouth	Some starch to maltose
<b>Pepsin</b>	Stomach	Protein to peptides
<b>Rennin (Infants)</b>	Stomach	Milk protein to peptides
<b>Trypsin</b>	Intestine	Protein to peptides and amino acids
<b>Chymotrypsin</b>	Intestine	Protein to peptides and amino acids
<b>Lipase</b>	Intestine	Fat to fatty acids
<b>Amylase</b>	Intestine	Starch (and glycogen) to maltose
<b>Sucrase</b>	Intestinal wall	Sucrose to glucose and fructose
<b>Lactase</b>	Intestinal wall	Lactose to glucose and galactose
